ABOUT ME

First-year Higher Technician in Network Systems Administration (ASIR) student at Institut Tecnològic de Barcelona with a strong focus on cybersecurity, network security, and system administration.

I am actively developing hands-on experience through virtual lab environments, working with Linux systems, Python scripting, and network configuration. My goal is to specialize in defensive cybersecurity and contribute to secure and resilient IT infrastructures.

EDUCATION

Higher Technician in Network Systems Administration (ASIR) Institut Tecnològic de Barcelona | 2025 - Present

Network infrastructure fundamentals
Linux and Windows systems administration
Cybersecurity basics
System configuration and maintenance

High School Diploma - STEM Focus INS Puig Castellar | 2023 - 2025

PROFESSIONAL EXPERIENCE

Retail Operations Assistant Port de Barcelona | Aug 2024 - Sep 2024
